

Capital Equipment

As an innovative equine equipment company we aim to be at the cutting edge of supply to the industry. With our wealth of knowledge and strong global industry relationships our product range has continued to evolve over the years. Our strong brand and product range, now puts EV at the forefront of the equine veterinary equipment industry.

We aim to bring to you new products and techniques to ensure that your practice can offer the latest in diagnostic procedures. We also offer competitive lease packages to make the purchase of capital equipment both easy and affordable.

Our equipment and industry knowledge makes us your ideal partners when looking at practice set ups and updating your diagnostic equipment.
